When I'm on my journey, don't you grieve after me.

When I'm on my journey, don't you grieve after me.
A
When I'm on my journey, don't you grieve after me.
E B7 E
I don't want you to grieve after me.

Searchin' for a city, don't you grieve after me.
Searchin' for a city, don't you grieve after me.
Searchin' for a city, don't you grieve after me.
I don't want you to grieve after me.

We'll sing and shout for glory...

My brother won't you join us...
