Snooze come back to bed again
and drown under sheets that become a lake
swim inside, lets play pretend
believe real life, outside is fake
why waste the day wide on awake
come back lay on bed cause this time to make
the dream, the scheme, it's not for sale
the come on race of rats and chasing tail

cause i'm a monday killer a pain reliever
an alarm clocks slasher i'm a careless deliever
i'm a monday killer a pain reliever
i'm a fake flue baby, an excuse if you need it

look out ! don't fall beside the bed
and fall into a deep dark black abyss
refresh yourself in cotton thread
and touch my lips to yours with a drowsy kiss
lullabies are floating by
the blinds squeeze the sun trying
to keep out time
forget about the bus or city panic
this day belongs to us as much as last night

cause i'm a monday killer a pain reliever
an alarm clock smasher i'm a careless believer
i'm a monday killer a pain reliever
i'm a fake flue baby an excuse if you need it

forget about the news, school or traffic
the city doesn't need need
another couple has beens
