Freeze in a moment
Do not move, do not breathe
Do not, do not be
Freeze in a moment
Like a photo in a frame
In the album of your brain
Do not move, do not breathe
Do not, do not, do not

Moments are just like pictures
Seconds are color paints
Frame by frame, life continues
This is your new snapshot

Snapshot

Freeze in a moment
Do not move, do not breathe
Do not, do not be
Freeze in a moment
If you're falling just stay there
Floating careful in the air
There's no gravity, no landing
Keep suspended over there

Moments are just like pictures
Seconds are color paints
Frame by frame, life continues
This is your new snapshot
