Alsations alison
? ? ?
Somebody take her home
She's barking at strangers
Head ? ? ?
With washing up fingers
Gold teeth and singalongs
? ? ?

Every night it's just the same
I don't wanna know your name
I don't wanna see you again
Alsations alison
Alsations alison

Beer breath smells like the truth
Words I should've swallowed
Put my head in the noose
I left and they followed

They didn't wanna know my name
I hope I don't see them again
My memory's a bloody stain
Alsations alison
Alsations alison

Alsations
Alsations
Alsations

I spilt a drink or two
Without enough sorrow
Break? ? ? on my tooth
If my pockets hollow

They didn't wanna know my name
I hope I don't see them again
My memory's a bloody stain
Alsations alison
Alsations alison
Alsations alison

Alsations
Alsations
Alsations

Alsations alison
? ? ? ? dog? ?
Somebody take her home
She's barking at strangers
Beer breath smells like the truth
Words I should've swallowed
Put my head in the noose
I left and they followed
