I left barber college  
Searchin' for knowledge,  
Went to the university.  
I must confess, sir  
This lady professor  
She turned me on to anthropology.

Now I'm a homo erectus  
Got to connect this  
Bone that I discovered yesterday.  
Tyrannosaurus  
Lived in the forest,  
Died because it's heart got in the way.

Dear doctor howard  
Come down from your tower  
And join me for lunch at the  $\hat{A}, \hat{A}i \hat{A}, \hat{A}^o y \hat{A}, \hat{A}i \hat{A}, \hat{A} \pm$ .  
Although you're thirty  
I still think you're pretty  
Let's give it that good ole college try.

$\hat{A}, \hat{A}i \hat{A}, \hat{A} \otimes$  cause I'm a homo erectus  
Got to connect this  
Bone that I discovered yesterday.  
Tyrannosaurus  
Lived in the forest,  
Died because it's heart got in the way.  
Ok!

Hey jomo kenyatta  
No, no, you're not a  
Australopithecine boogieman.  
It's took us a jillion

But we're all still here, been  
Boogeyin' since boogeyin' began.

And I'm a homo erectus  
Got to connect this  
Bone that I discovered yesterday.

Tyrannosaurus  
Lived in the forest,  
Died because it's heart got in the way.

You know I'm a homo erectus  
Got to connect this  
Bone that I discovered yesterday.  
Tyrannosaurus lived in the forest,  
Died because it's heart got in the way.

You know that I'm a homo erectus  
Got to connect this  
Bone that I discovered yesterday.  
Tyrannosaurus  
Lived in the forest,  
Died because it's heart got in the way.

I'm but a homo erectus  
Got to connect this  
Bone that I discovered yesterday.  
Tyrannosaurus  
Lived in the forest,  
Died because it's heart got in the way.

Watch out for homo erectus ...
