? ? ?

Only because she takes my loose change  
And down the twisted course  
I find myself tied to the reins

This is the last song  
This is the last song  
I ever wanna sing  
This is the last song  
This is the last song  
It's underneath my skin

I used to be so young  
Thinking I was only just begun  
Now my mind's never clean  
I don't know what I'm doing here

This is the last song  
This is the last song  
I ever wanna sing  
This is the last song  
This is the last song  
It's underneath my skin

Down by the ? ? ? canal  
The water's dark and heavenly

This is the last song  
This is the last song  
I ever wanna sing  
This is the last song  
This is the last song

This is the last song  
This is the last song

Throw your money in  
Throw your money in

This is the last song  
The last song

Throw your money in
