(kinky friedman & panama red)

My heart is on my sleeve,  
Do you still believe ?  
Are you listenin' to the tide roll in, watchin' ships at sea  
?  
When I come sailin' home again will you be there for  
me,  
There for me ?  
Treasure ships of yore  
Grace the ocean floor  
Columbus sailed for italy, columbus sailed for spain.  
Columbus sailed a wishin' well, columbus died in  
chains,  
Died in chains.

I don't pretend to know every answer  
To everything that life may ask of me.  
Hey, I'm popeye the sailor man  
I'm popeye the sailor man  
Hey, popeye the sailor man  
And I sail the lonely sea eternally.

My true love calls to me from far across the sea.  
She says, "Red skies in the mornin'  
Sailor take warnin'  
Sail with me tonight  
Sailor's delight, sailor's delight."

I don't pretend to know every answer  
To everything that life may ask of me.  
Hey, I'm popeye the sailor man  
Popeye the sailor man,  
Popeye the sailor man  
And I sail the lonely sea eternally.

She said, "Popeye the sailor man  
Popeye the sailor man  
Oh, popeye the sailor man  
Sail on home to me, come sail with me."
