Jesus said to Pilate, "Remember the Golden Rule:  
Love thy neighbor, don't you step on my blue suede  
shoes."

Pilate, he said to Jesus, "Hey, you know this ain't no  
Sunday school"

Baby, everybody knows that the wheel's gotta roll,  
Rock and roll across the USA.>  
Wichita said to Crazy Horse,  
"Horse, we're gonna let you choose  
'Cause you'll have the huntin' ground of the reservation  
blues

You'd better slide over Sitting Bull-over, we got a  
highway coming through."

Baby, everybody knows that the wheel's gotta roll  
Rock and roll across the USA, yeah-yeah-yeah!

Jesus said to Pilate, "Remember the Golden Rule:  
Love thy neighbor, don't you step on my blue suede  
shoes."

Pilate, he said to Jesus, "Hey, you know this ain't no  
Sunday school"

Baby, everybody knows that the wheel's gotta roll  
Rock and roll across the US<

Everybody knows that the wheel's gotta roll
