(ray wylie hubbard)

He was born in oklahoma  
His wife's name is betty jo thelma liz.  
He's not responsible for what he's doing;  
His mother made him what he is.

And it's up against the wall redneck mother  
Mother who has raised her son so well.  
He's thirty-four and drinking in them honky-tonks  
Just kicking all them hippies' asses raising hell.

Well, you know, he sure likes to drink that lone star  
beer  
And he chases it down with that wild turkey bourbon  
liquor.  
He got a '57 gmc pick 'em up truck  
with a gun rack  
And a 'i'd rather be a roper than a  
doper bumper sticker.

And it's up against the wall redneck mother  
Mother who has raised her son so well.  
He's thirty-four and drinking in them honky-tonks  
Just kicking all them hippies' asses raising hell.

M is for the mud flaps you gave me for my pick-up  
truck

O is for the oil I put in my pick-up truck, drain it out, and  
put grease on my hair,  
T is for tolly parton,  
H is for haggard  
E is for el paso and  
R is for redneck!

And it's up against the wall redneck mother  
Mother who has raised her son so well.  
He's thirty-four and drinking in them honky-tonks  
Kicking all them hippies' asses raising hell.

And it's up against the wall redneck mother

Mother who has raised her son so well.  
And he's thirty-four and drinking in them honky-tonks  
Just kicking all them hippies' asses raising hell.

Where, kinky ?

Where ? right here in the lone star cafÃ© in new york  
city!
