You made me cry  
When you said goodbye  
You didn't even tell me all the who's the what's the  
where's the reason why  
Tell me how can it be that you don't love me anymore

You promised me  
Swore we would be  
Together through the worse or better  
For the now and the forever  
And the in between  
Tell me how can it be that you don't love me anymore

(Bridge:)  
I thought you were mine  
I thought we were fine  
How can it be that you don't love me anymore

I haven't changed  
My love's the same  
Now you're gone and movin' on and in my heart the  
question still remains  
Tell me how can it be that you don't love me  
No how can it be that you don't love me  
Darlin' how can it be that you don't love me anymore

Hey yeah!..
