I've got all that I need
All I could ever ask for
Here
And I will be
Lovin' you evermore
Here
Yeah, you and I, it's amazing
Yeah, I'm gonna be staying

Here
You can have all my love
Here
Every little part of
My soul, my heart sings
Hey la, la, la
Every time you're here

It's real love
The first time I've ever been
Here
Now I can give up
My searchin' ends
Here
Yeah, I'd be down on my knees
Yeah, if you should ever leave me

Here
You can have all my love
Here
Every little part of
My soul, my heart sings
Hey la, la, la
Every time you're here

Feeling your heart pound
Is my forever found here

Here
You can have all my love
Here
Every little part of
My soul, my heart sings

Hey la, la, la
Every time you're here
