I'm In - The Kinleys

Love doesn't come with a contract  
You give me this, I give you that  
It's scary business  
When your heart and soul is on the line  
Baby, why else would I be standing 'round  
Here so tongue-tied

If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well, my words might not be magic  
But they cut straight to the truth  
So if you need a lover and a friend  
Baby, I'm in  
I'm In, I'm in, I'm in  
Baby, I'm in  
I'm In, I'm in, I'm in

Baby come on in, the water's fine  
I'll be right here, you take your time  
Just let me hold you  
And we'll both take that leap of faith  
It's like I told you  
There's no guarantee when you feel this way

If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well, my words might not be magic  
But they cut straight to the truth  
If you need a lover and a friend  
Baby, I'm in  
I'm In, I'm in, I'm in

Baby come here next to me  
I'll show you how good it can be  
I'll breathe each breath you breathe I can  
Pour out everything I am

If I knew what I was doing  
I'd be doing it right now  
I would be the best damn poet  
Silver words out of my mouth  
Well, my words might not be magic  
But they cut straight to the truth  
So if you need a lover and a friend  
If you need a lover, if you need a lover and a friend  
Baby, I'm, Baby, I'm, Baby, I'm in  
I'm In, I'm In, I'm In  
Baby, I'm in  
I'm In, I'm In, I'm In

Baby come here next to me  
I'll show you how good it can be  
I'll breathe each breath you breathe I can  
Pour out everything I am
