Wine is sweet
Gin is bitter
Drink all you can
But you won't forget her

You talk too much
You laugh too loud
You see her face
In every crowd

That's the price of love
The price of love
The debt you pay
With tears and pain
The price of love
The price of love
Can cost you more
And you're to blame

Kiss one girl
Kiss another
Kiss 'em all
But you won't recover

You're dancin' slow
You're dancin' fast
You're happy now
But that won't last

That's the price of love
The price of love
The debt you pay
With tears and pain
The price of love
The price of love
