Some days, I'm afraid
The world is closing in
And the weight of it all
Makes me feel too small
Like I'm falling but

Most days I'm so amazed
By my friends and family
That nothing can touch me
Nothing can push me down again

Well, I could, well, I could
Show you a thing or two
Yes I could, yes I could
Show you where tears come from

Then we could, then we could
Cry ourselves out loud but
It's so sad so let's not forget
Two years to enjoy

Put my arm around too many men
And had it in for me
Double edge swords with no reward
But pain and instability

And in the end I can't pretend
To want or need them as friends
So it's all my love say
"Enough is enough, time for beginning"

Well, I could, well, I could
Show you a thing or two
Yes I could, yes I could
Show you where tears come from

Then we could, then we could
Cry ourselves out loud but
It's so sad so let's not forget
Two years to enjoy

Our lives, our lives

Our lives, our lives
Our lives, our lives
Our lives, our lives
Our lives, our lives
