I got twenty dollars in my pocket
Why does that seem like not enough?
Why does that seem like not enough?
Why?

Six hundred dollars in my wallet
Why does that seem like not enough?
Why does that seem like not enough?
Why?

A hundred-thousand dollars in my bank account
Why does that seem like not enough?
Why does that seem like not enough?
Why?

Why is everything, why is everything not enough?
Why is everything, why is everything just too much
Why is everything, why, why is everything, why
Why is everything, why is everything just too much

Another couple breaks up over infidelity
Maybe loving is just too much
Maybe loving is not enough
Maybe

And a baby is born to a family
Hope the world won't be too much
Hope the world will be good enough
I hope

Another cousin joins the Earth's slow spin
Maybe the world was too much for him
Maybe the world was not enough for him
Maybe

Maybe everything, maybe everything's just too much
Maybe everything, maybe everything's not enough?
Maybe everything, maybe, maybe everything, maybe
Maybe everything, maybe everything's just too much

Maybe it's not enough and it's just too much
And it's not enough

Maybe everything, maybe, maybe everything, maybe
Maybe everything, maybe everything's just too much
Maybe it's not enough
