Hey, pretty girl, won't you look my way
Love's in the air tonight
Bet you make this ol' boy's day
Hey, pretty girl, won't you look my way

Hey, pretty girl, can I have this dance
And the next one after that
Gonna make your mind up
There's a real good chance
Hey, pretty girl, can I have this dance

Hey, pretty girl, it feels so right
Just like it's meant to be
All wrapped up in my arms so tight
Hey, pretty girl, it feels so right

Life's a lonely, winding ride
Better have the right one by your side
Happiness don't drag it's feet
Time moves faster than anything

Hey, pretty girl, I wanna take you home
My mama's gonna love you
She'll make me sleep on the couch, I know
Hey, pretty girl, I wanna take you home

Hey, pretty girl, let's build some dreams
A house on a piece of land
Plant some roots and some apple trees
Hey, pretty girl, let's build some dreams

Life's a lonely, winding ride
Better have the right one by your side
Happiness don't drag it's feet
Time moves faster than anything

Hey, pretty girl, you did so good
Our baby's got our eyes
And a fighter's heart like I knew she would
Hey, pretty girl, you did so good

Hey, pretty girl, when I see the Light
When it's my time to go,
I'm gonna thank the Lord for a real good life
A pretty little girl and a beautiful wife
