Morning came and I was on my way  
When you reminded me  
I had too soon forgotten  
It was you that set me free

Yeah, you were here when I came  
And you'll be here when I'm gone  
So don't be waiting for love  
'Cause I'll be waiting to ramble on

You're headed for a heartbreak  
You're headed for a heartbreak

Darling, don't wait up for me  
Tonight I won't be home  
And you've become a stranger  
And I just got to be alone

Don't need nobody on my side  
To dull the blade I'm on  
So don't be waiting for love  
'Cause I'll be waiting to ramble on

You're headed for a heartbreak  
You're headed for a heartbreak  
You're headed for a heartbreak

And it's no mistake  
Don't you think I can feel the pain  
I walk away to live again

[Incomprehensible]  
Just got to be alone  
[Incomprehensible]

You're headed for a heartbreak  
You're headed for a heartbreak  
Don't make me hurt you  
You're headed for a heartbreak
