I know that you decided  
I know you deny it  
But I do believe that you don't have to walk this road  
alone

Somewhere there's a fire  
Deep inside a fire  
So why won't you just let me be the light inside your  
heart?

I'll be a reason  
I'll be a reason  
I'll be a reason  
When you need me, you can call me, I'll be there  
I'll be a reason  
When you're lonely, you can hear me, I'll be there

I'll be your angel  
(I'll be your, I'll be your)  
I'll be your angel  
(I'll be your, I'll be your)  
I'll be your angel

(I'll be your, I'll be your)  
I'll be your angel  
(I'll be your, I'll be your)

No more days of silence  
No more souls divided  
And I do believe if we just hold on words don't have to  
be this cold

Somewhere there's a fire  
Deep inside a fire  
So why won't you just let me be the light inside your  
heart?

I'll be a reason  
I'll be a reason  
I'll be a reason  
When you need me, you can call me, I'll be there  
I'll be a reason

When you're lonely, you can hear me, I'll be there
