Oh, ah, oh, ah, oh, ah  
Oh, ah, oh, ah, oh, ah  
Oh, ah, oh, ah, oh, ah  
Oh, ah, oh, ah, oh, ah

When I cannot hear the sparrow sing  
And I cannot feel the melody  
There's a secret place that's full of grace  
There's a blessing in the storm  
Help me sing it  
There's a blessing in the storm

When the sickness won't leave my body  
And the pain just won't leave my soul  
I get on my knees and say, "Jesus please"  
There's a blessing in the storm  
Help me sing it  
There's a blessing in the storm

When I cannot seem to love again  
And the raindrops won't ever end  
If you just hold on  
Those clouds will soon be gone

There's a blessing in the storm  
Help me sing it  
There's a blessing in the storm

Sweet, sweet, the storm, sweet

When I cannot seem to love again  
And the raindrops won't ever end  
If you just hold on  
Those clouds will soon be gone

There's a blessing in the storm  
Help me sing it  
There's a blessing in the storm
