[Verse One:]

Come ye broken hearted come ye weary soul there is
healing water that can make you whole that
can make you whole

[Verse Two:]

Come bring tears of sorrow come bring years of pain
there is healing water that can make you
whole that can make you whole

[Bridge:]

And it flows from the veins of Jesus my savior my
healer and redeemer a lover so true it has
power to heal all our sin sick diseases so come to the
throne your healing is here that can that can that

can make you whole

[Vamp:]

Your Healing is here Forgiveness is here Salvation is
here Acceptance is here Deliverance is here
his Presence is here his Mercy is here his Power is here
Joy is here Grace is here Love is here that can
make you whole that can make you whole *[repeat as
directed]*
