Conquerors, conquerors

Tomorrow is a brand new day

All my sins have been washed away

My hands look new

My life is free

My heart is pure

I've been redeemed (Oh yeah)

See I've seen his face, touched his hand

Finally, now I understand

Why he saved a wretch, a wretch like me

And by his blood I've been redeemed (Oh yeah, oh
yeah, oh yeah)

We ran the race

kept the fight, (We kept the fight)

shed our blood, (We shed our blood)

For what was right (For what was right)

We carried our cross (We carried our cross)

Through stormy weather (Through storm and rain)

Because of Christ (Because of Christ)

Now we can say (Now we can say)

That we (We are conquerors)

See I know I know (Conquerors)

We (We are conquerors)

I know I know (Conquerors)

See I've seen his face, touched his hand

Finally, now I understand

Why he saved a wretch, saved a wretch like you and me

You and me yeah and by his blood I've been redeemed
Oh yeah

We ran the race

Kept the fight, (We kept the fight)

We shed our blood, (We shed our blood)

For what was right what was right (For what was right)

We carried our cross (We carried our cross)

Through stormy weather yeah (Through storm and rain)

Because of Christ yeah (Because of Christ)

Now we can say (Now we can say)

That we (We are conquerors)

See I know I know (Conquerors)

We (We are conquerors)

We are conquerors yeah (Conquerors)

Oh, for no matter what we go through yeah (We are conquerors)

See Lord I'm gonna, give my promise to you (We are conquerors)

Oh

We ran the race, (We ran the race yeah)

We kept the fight, (Kept the fight yes we did)

We shed our blood

For what was right (For what was right)

We yeah (We carried our cross)

Through stormy weather yeah (Through storm and rain)
