Chorus-It could've been me,with no clothes no shoes
and no food to eat.
yeah,(yeah),yeah,(yeah)
It could've been me,without you're love o tell me where
would I be.
YEAHHHHH!
Lead-(it could've been)Me in the cold with (everything
gone),No house no job (outside all alone), sittin' tryna
figure out(where I went wrong), Can somebody help me
(tell me what do I do), can't feed my kids need(money
for the rent), Bills after bills and (everything spent),
The enemy is telling me(might as well quit) with tears
in my eyes crying(LORD PLEASE HEAR ME)See all thats
the reason,
(I just can't thank you enough no matter how hard I try,
JESUS I realize.
-Chorus-
Lead again

Vamp- Thank you *3 It could've been me.
You didn't have to do it no *3 Thank you
Bridge- Too good to stop now father I want to give you
thanks some more. All the things I've been through now
I see I'm better than I was before. When I think about all
you've done and How you opened up every door.I cant
help but say thank you and If you wanna help me get up
on the floor.
