Alleluia  
C'mon

When I wake up in the morning love  
And my heart is filled with pain  
The smile I had upon my face is gone  
Can't see the sunshine from the rain

When I think of You  
Then the world's alright with me  
Lord, just one thought of You  
And I know it's gonna be

A lovely day  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day, lovely day)  
A lovely day  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day)

Jesus, You're the lover of my soul  
The fire that burns deep within  
You are the joy this world can't take away  
This spiritual love affair, it will never end

When I think of You  
Then the world's alright with me  
Lord, just one thought of You  
And I know it's gonna be

A lovely day  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day, lovely day)  
A lovely day  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day)

I know you going through some stuff now  
You feel like giving up now, your spot is tough now  
But how can you learn if you don't fall?  
How can you walk at first you don't crawl?

But through it all You keep blessin' me  
While they pressin' me and they testin' me  
They keep stressin' me  
Because they never heard a preacher flow, show, go,  
no

When I think of You  
Then the world's alright with me  
Lord, just one thought of You  
And I know it's gonna be

A lovely day  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day, lovely day)  
(Lovely day, lovely day, lovely day, lovely day)

A lovely day, yeah  
A lovely day, yeah  
A lovely day, yeah
