He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

Though you've been searchin' for such a long time  
Searchin' for hope and some peace of mind  
There's a friend who would step in on time  
He'll take the pain away, He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

You've been searching all of here and all of there  
And all God can take the pain away  
And I tried him for my self and  
Oh, I'm a living witness that God will take the pain away

Though you've been searchin' for such a long time  
Searchin' for hope and some peace of mind  
There's a friend who would step in on time  
He'll take the pain away, He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

Hold on, don't give up

If any man be in Jesus  
He'll take the pain away  
If any man be in Jesus brand new  
He'll take the pain away

If any man be in Jesus  
He'll take the pain away  
If any man be in Jesus brand new  
He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

He'll take the pain away, I know  
He'll take the pain away  
He'll take the pain away, I know  
He'll take the pain away

He'll take the pain away  
He'll take the pain away  
He'll take the pain away  
He'll take the pain away

He'll take the pain away  
He'll take the pain away  
He'll take the pain away  
He'll take the pain away  
He'll take the pain away
