The spring of April's gone, the leaves have all turned  
brown

The children are all grown up and there's no one  
around

I'm lookin' over my life and all the mistakes I've made  
And I'm afraid, afraid

Somebody told me that You would wash all my sins  
And cleanse me from the scars that are so deep within  
So I'm calling to You, if You can hear me, I don't know  
how

I was wondering, can You hold me now?

You are the only one that's patient when I fall  
Your angels come to save me every time I call  
You don't laugh at me when I make mistakes and cry  
You're not like man, you understand me

See people change one day, they don't like you, the  
next they do

I wish that everyone could love me just like You  
So here I am, this sinful man, peace won't allow

I was wondering, can You hold me now?

I was wondering, can You hold me now?

I know it seems like the storm will never pass  
And it seems like the rain will never end  
The Red Sea is in front of you  
The Pharaoh and his armies behind you

But my brother, if you lift your head up to the sky  
God has not forgotten you as His angels will camp  
around you  
For He'll never leave you nor forsake you  
His word is true, He did it for me, He'll do it for you

To every broken person that may hear this song  
To every boy or girl that feels their smile is gone  
I know exactly how it feels to lay in the bed at night  
And cry, and cry and cry

Don't you worry, God is faithful and he cares  
Among the tears you drop and the pain you feel He's  
there  
When you are weak that's when He's strong  
Even though you don't know how

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah

God can and He will hold you now  
God can and He will hold you now  
God can and He will hold you now  
Don't you worry He can hold you now
