Imagine me loving what I see
When the mirror looks at me
'Cause I, I imagine me

In a place of no insecurities
And I'm finally happy
'Cause I imagine me

Letting go of all of the ones who hurt me
'Cause they never did deserve me
Can You imagine me?

Saying no to thoughts that try to control me
Remembering all You told me
Lord, can You imagine me?

Over what my mamma said
And healed from what my daddy did
And I wanna live
And not read that page again

Imagine me
Being free, trusting You totally
Finally I can imagine me

I admit it was hard to see You being in love
With someone like me
Finally I can imagine me

(Imagine me)
Being strong and not letting people break me down
You won't get that joy this time around
(No no)
Can You imagine me?

In a world where nobody has to live afraid
Because of Your love, fear's gone away
Can You imagine me?

Letting go of the past
And glad I have another chance
And my heart will dance

'Cause I don't have to read that page again

(Imagine me)

Imagine me, being free, trusting You totally

Finally I can imagine me

(I admit Jesus)

I admit it was hard to see You being in love

With someone like me

(Like me)

Finally I can imagine me

(I imagine me)

Imagine me

(Being free)

Being free, trusting You totally

(Totally)

Finally I can imagine me

(I'll be honest with you)

I admit it was hard to see You being in love

(It was hard)

With someone like me

(Imagine me)

Finally I can imagine me

This song is dedicated to people like me

Those that struggle with insecurities

Acceptance and even self-esteem

You never felt good enough, You never felt pretty
enough

But imagine God whispering in Your ear

Letting You know that everything that has happened is
now

Gone, gone, it's gone, all gone

(It's all gone, every sadness)

Gone, gone, it's gone, all gone

(Every mistake, every failure, it's all gone)

Gone, gone, it's gone, all gone

(Depression, gone, bad faith, it's gone)

Gone, gone, it's gone, all gone

(Low self-esteem, Hallelujah, it's gone, it's all gone)

Gone, gone, it's gone, all gone

(It's gone, all my scars, all my pain)

Gone, gone, it's gone, all gone

(It's in the past, it's yesterday, it's all gone, ah)

Gone, gone, it's gone, all gone

(Gone, what you mother did, what your father did,
Hallelujah)
Gone, gone, it's gone, all gone
(It's gone)
