Intro 1

Patience, Love, Kind, Love, Sweet, Love, Kind, Love
Patience, Love, Kind, Love, Sweet, Love, Kind, Love

Love

A word that comes and goes
But few people really know
What it means to really love somebody

Love

Though the tears may fade away
I'm so glad Your love will stay
Cause I love You
And You showed me Jesus
What it really means to love

(Repeat Intro 1)

Love

A word that comes and goes
But few people really know
What it means to really love somebody

Love

Though the tears may fade away
I'm so glad Your love will stay
Cause I love You
And You showed me Jesus
What it really means to love...

The nights that I cried You loved me
When I should have died You loved me
I'll never know why You loved me
It's a mystery to me now I'm glad to see Jesus

When all hope was gone You loved me
You gave me a song that You loved me
Now I can go on cause You loved me
It's a mystery to me now I'm glad to see Jesus

The nights that I've cried You loved me
When I should have died You loved me
I'll never know why You loved me
It's a mystery to me now I'm glad to see Jesus

When all hope was gone You loved me
You gave me a song that You loved me
Now I can go on cause You loved me
It's a mystery to me now I'm glad to see Jesus

What it really means
To love...
Patience patience kind
That's Love (repeat till end)
