You know I've had some lonely days
I've made mistakes and had to pay
I've had some friends that walked away
Just like mama told me

Who cares about the way I feel (I know you feel)

The cross you did that just for me

I promise you I'll spend my own ways with you
Jesus my whole life has changed
Since that day i cried your name
For every time you brought me through
I promise you I'll spend my own ways, spend my own
ways with you.

Jesus you're my everthing
The cross you did that just for me
So what ever you take me through
I promise you I'll spend my own ways spend my own
ways with you
Jesus my whole life has changed
