Every time I look back
And every time I think back
On all the stuff I've been through
I've prayed through I cried through
And then I tried you and just
When I was about to fall
Your love caught me when your name I called
Jesus you keep on lookin' out for me

Remember when the doctor said
He said he couldn't help you and
Remember when the money was gettin' low
You're hurtin' now your feeling low and just
When you thought the night would never end
The sun came out now you can smile again

Jesus you keep on lookin' out for me

[Chorus]

You keep on lookin' out for me *[3x]*
In spite of all I've done
Jesus you keep on lookin' out for me

I shouldn't be here today
And when I look back on all my mistakes
If it hadn't been for your grace
I don't know where I'd be where I'd go
Who can love me like you do
And who can hold me when I'm going through
Jesus you keep on lookin' out for me

[Chorus]
