Verse1

When I wake up in the morning Lord and my heart is
filled with pain the smile I
had up on my face is gone can't see the sun shine from
the rain (Jesus) when I think of
you and the worlds alright with me Lord just one
thought of you and I know it's
gonna be a lovely day

(chorus)

lovely day lovely day lovely day lovely day repeat 8x

Verse2

Jesus your the lover of my soul the fire that burns down
deep with in you are
the joy this world can't take away these feeling last and
it will never end
when I think of
you and the world's alright with me Lord just one
thought of you and I know it's
gonna be a lovely day

(chorus)

(Rap)

I know you goin though some stuff now you feel like
giving up now your spot is
tuff now but how can you learn if ya don't fall how can
you walk if first you
don't crawl but though it all you keep blessin me why
they pressin me and they
testin me they keep stressing me because they never
heard a preacher flow show, go, know

when I think of
you and the world's alright with me Lord just one
thought of you and I know it's
gonna be a lovely day

(chorus)
