The book of revelations
Chapter 7, Verses 16 and 17
(Yes Sir)
'They shall hunger no more
Neither shall they thirst anymore'
(Preach, Preacher)

'For God shall wipe away
(Yes sir)
Every tear from there eye
(Yes sir)
Get ready for a revolution'
(Come on, come on, come on, come on, come on)
What you say, uh

(Whoa, whoa)
Do you want a revolution?
(Whoop whoop)
Do you want a revolution?
(Whoop whoop)

(Whoa, whoa)
Do you want a revolution?
(Whoop whoop)
Do you want a revolution?
(Whoop whoop)

Sick and tired of my brothas killin' each other
Sick and tired of daddies leavin' babies with their
mothers
To every man who wants to lay around and play around
Listen partner, you be man enough to stay around

Sick and tired of the church talkin' religion
And yet, they talk about each other, makin' decisions
No more racism, two-facism, no pollution, the solution?
A Revolution

(Whoa, whoa)
Do you want a revolution?
(Whoop whoop)
Do you want a revolution?

(Whoop whoop)

(Whoa, whoa)

Do you want a revolution?

(Whoop whoop)

Do you want a revolution?

(Whoop whoop)

No crime, no dying, politicians lying, everybody's
trying

To make a dollar it makes me wanna holler

The way they do my life, they way they do my life

There's gonna be a brighter day, all your troubles will
pass away

A revolution's comin', yes it's comin', comin'

Revolution's comin', yes it's comin', revolution's comin',
comin'

(Whoa, whoa)

Do you want a revolution?

(Whoop whoop)

Do you want a revolution?

(Whoop whoop)

(Whoa, whoa)

Do you want a revolution?

(Whoop whoop)

Do you want a revolution?

(Whoop whoop)

Say, what you feelin'? What you want son?

Who you callin' to son? You know Jesus is the true son

The second in the trinity, I know you feelin' Him

Five hundred days left until the new millenium

You hearin' 'em, trumpets and the sky cracks

The last, the first the first, the last and won't pass

So don't be caught slippin' brotha, don't be trippin'

brotha

'Cause when I see 'em [Incomprehensible] brotha

Everywhere we go, we say we move too much, we do
too much

And if you step against us then you lose too much

Ain't no stoppin' what we doin' when the spirit is movin'

Don't be hatin' what I'm doin', I'm the vessel He's usin'

Everywhere I be they try to judge me

They try to shake me, they try to budge me

But they can't break me, 'cause I'm down with Christ

Darkchild and Nu Nation, make ya feel alright
