It's Friday and my bills are due
My 3 month old baby need some shoes
Can't you feel I'm going through

Clock on the wall keeps tickin' tockin'
No stoppin' and somebody's knockin'
On the door, tellin' me to go

Brotha, I can't take no more
So with my knees, I hit the floor
And say help me Jesus, help me Jesus

Let's go down by the riverside
Leave your problems all behind
You can rest troubled minds
Down by the riverside

If I concentrate on all the bad
And all the things I wish I had
How can the dark clouds ever pass

Weeping may endure for a night
But joy comes in the morning light
God, he keeps me right

So no matter what the people say
Ain't nobody takin' this joy away
In spite of all I've been through, I can say
Thank You Jesus, thank You Jesus, thank You Jesus

Let's go down by the riverside

Leave your problems all behind
You can rest troubled minds
Down by

Let's go down by the riverside
Leave your problems all behind
You can rest troubled minds
Down by

Let's go down by the riverside

Leave your problems all behind
You can rest troubled minds
Down by

Let's go down by the riverside
Leave your problems all behind
You can rest troubled minds
Down by the riverside

Well, well, well

There's a blessin' in the water y'all
By the riverside, say what now
There's a healin' in the water y'all
By the riverside, say what now

There's a blessin' in the water y'all
By the riverside, say what now
There's a healin' in the water y'all
By the riverside, say what now

There's a blessin' in the water y'all
By the riverside, say what now
There's a healin' in the water y'all
By the riverside, say what now
