(La, la, la)

Mary Mary

(Thank You)

When I look back over my life

(Thank You)

And all the times You brought me through

(Thank You)

I just wanna say "Father, thank You"

When I was lonely and needed some one to hold me  
You were beside me, when my nights were cold and  
lonely

You never let me down when no one else could be  
found

I always count on You to see me through, I'm telling  
You that

You are the reason, I'm alive and I'm still breathing  
For me You gave Your life and now my life it has no  
meaning

When I think about Your grace and I finally see Your  
face

There's one thing I need to say, wanna say, yeah

(Thank You, Lord, for loving me)

(Thank You, Lord, for keeping me)

(Thank You, Lord, for that day You came)

(And broke the chains and set me free)

Thank You for another chance)

You gave me joy now I can dance

All the people open up Your mouth

And let me here you say thank You, thank You

(Thank You, thank You)

(Thank You, Lord for one more day)

(You made the raindrops go away)

(Thank You, 'cause my pain is gone)

(I know it came to make me strong)

(Thank You for another chance)

(You gave me joy now I can dance)  
All the people open up your mouth  
And let me here you say thank You, thank You)  
(Thank You, thank You)

(La, la la, la la)  
Thank You, thank You, is He worth it?  
(La, la, la)

When I was lonely and I needed some one to hold me  
You were beside me when my nights were cold and  
lonely  
You never let me down when no one else could be  
found  
(No one else)  
I always count on You to see me through, I'm telling you  
that

You are the reason, Jesus  
I'm alive and I'm breathing  
(Alleluia)  
For me You gave Your life  
And now my life it has no meaning  
(Listen)

Because of Your grace  
I can see Your face  
(Grace)  
Now I to do, there's just one thing  
I wanna say, gotta say, yeah  
(Sing it with me)

Thank You, Lord for loving me  
(Thank You)  
Thank You, Lord for keeping me  
(Thank You, Jesus)

Thank You, Lord, for that day You came  
And broke the chains and set me free  
Thank You for another chance  
You gave me joy now I can dance

All the people open up your mouth  
And let me here you say thank You, thank You  
(Thank You, thank You, come on)

(Thank You, Lord for one more day)  
(You made the raindrops go away)  
Thank You, 'cause my pain is gone  
(You did it)  
I know it came to make me strong

Thank You for another chance  
You gave me joy now I can dance  
All the people open up your mouth  
And let me here you say thank You, thank You  
(Thank You, thank You)

Yeah, yeah, yeah, yeah, yeah yeah yeah  
(All my children say)  
Yeah, yeah, yeah, yeah, yeah yeah yeah  
(That's right, all my babies say)

Yeah, yeah, yeah, yeah, yeah yeah yeah  
(Come on, all my kids say)  
Yeah, yeah, yeah, yeah, yeah yeah yeah  
(That's right, listen y'all)

For a brand new day I wanna  
(Thank You)  
For makin' a way out of nowhere Lord, I  
(Thank You)

For my health and strength, Lord, I  
(Thank You)  
For helping me to pay the rent I wanna  
(Thank You)

For my wife and kids Lord I  
(Thank You)  
Yo, for everything You did I wanna  
(Thank You)

Whatcha laughing at?  
Everybody sing, come on  
(Thank You, Lord for loving me)

Thank You, Lord for keeping me  
(Thank You)  
Thank You, Lord for that day you came  
(I never been)

And broke the chains and set me free  
Thank You for another chance  
(Another)  
You gave me joy now I can dance

All the people open up your mouth  
And let me here you say thank You, thank You  
(Thank You, thank You)  
(Thank You, Lord for one more day)  
(You made the raindrops go away)

Thank You ?cause my pain is gone  
(My pain is gone)  
I know it came to make me strong  
(It came to make my strong)

Thank You for another chance  
You gave me joy now I can dance  
All the people open up your mouth  
And let me here you say thank You, thank You  
(Thank You, thank You)

(Thank You, Lord for loving me  
Thank You, Lord for keeping me  
(This song is dedicated to everybody)

Thank You, Lord for that day You came  
And broke the chains and set me free  
(Who's made mistakes in their life)  
(And you felt like you blew it)

Thank You for another chance  
(But by the grace of God)  
(You gave me joy now I can dance)  
(You got another chance)

All the people open up your mouth  
And let me here you say thank You, thank You  
Thank You
