Fill me with a joy so new
So I can show my love for You
This joy I have is real and true
For all my sins are washed away
Yes all my sins are washed away

The pain I felt so deep inside
The tears I could no longer hide
There's joy now 'cause You are by my side
Yes all my sins are washed away
Yes all my sins are washed away

(Choir)
Fill me with a joy so new
So I can show my love for You
This love I have is real and true
For all my sins are washed away
Yes all my sins are washed away

The pain I felt so deep inside
The tears I could no longer hide
There's joy now 'cause You are by my side
For all my sins are washed away
Yes all my sins are washed away
(Choir repeats, leads ad-lib)

(Vamp)

Washed away, gone astray

For all my sins are washed away
Yes all my sins are washed away

Oh~~~ (Tenors)
Oh Oh Oh (Sopranos, Altos alternate)

For all my sins are washed away
Yes all my sins are washed away
