Oh god once again, we come into your presence with
expectancy in our hearts
God we know your gonna bless us
So we lift our hands in the sanctuary
And we give you glory and honor and praise
Come on, come on

We lift our hands in the sanctuary
We lift our hands to give you the glory
We lift our hands to give you the praise
And we will praise you for the rest of our days
Yes, we will praise you for the rest of our day's 2x

Come on lift your hands in his presence
And if you love him open up your mouth and glorify him
Lets take it a little higher

We clap our hands in the sanctuary
We clap our hands to give you the glory
We clap our hands to give you the praise
And we will praise you for the rest of our days
Yes, we will praise for the rest of our days

Come on clap your hands all you people
And shout to God with the blessed of triumph

We sing a song in the sanctuary
We sing a song to give you the glory
We sing a song to give you the praise
And we will praise you for the rest of our days
Yes, we will praise you for the rest of our days

Jesus we give your the praise
Emmanuel we lift up your name
Heavenly Father coming Messiah
And we will praise you for the rest of our days
Yes, we will praise you for the rest of our days

Allelujah in the sanctuary
Allelujah we give you the glory
Allelujah we give you the praise
And we will praise you for the rest of our days

Yes, we will praise you for the rest of our days

Jesus we give your the praise
Emmanuel we lift up your name
Heavenly Father coming Messiah
And we will praise you for the rest of our days
Yes, we will praise you for the rest of our days

5x
Yes, yes Lord for the rest of our days 6x

Allelujah 6X
For the rest of our days
