I can take a plane high up in the sky
And fly for a million miles
Write a melody so sweet
Make a tear turn into a smile

I can see the color of spring
I can even feel the weather change
And soon the leaves fall and winter calls
'Cause nothing ever stays the same

When I think of where I've been
What I've done and all I own
How I think I know everything
Like I made it here on my own

And like the wind that blows
Like a flower that grows
Still with all I can do

Without You, life's a song with no end
Without You, like having a heart that won't mend
Without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today without You

I admit that sometimes
Pride tries to hide my view
And even this gift that You gave me
I forget it's for You

And all the many days and many ways
Your grace I've abused
Still You were patient
And Your love loved me through

But the wind still blows
And the flower still grows
And one thing is still true

Without You, life's a song with no end
Without You, it's like having a heart that won't mend
Jesus without You, we're just actors on a stage

Like a child who's lost his way
Wouldn't be here today

Without You, life's a wound that won't heal
Without You, nothing in this world is for real
Without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today, without You

Can't live, can't see Your will for me
Can't do anything, anything

Without You, life's a song with no end
Without You, it's like having a heart that won't mend
Jesus without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today

Without You, life's a wound that won't heal
Without You, nothing in this world is for real
Without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today

Without You, we're like a bride with no groom
Without You, it's like seeing no sunshine in June
Without You, we're just actors on a stage
Like a child who's lost his way
We wouldn't be here today

Without You, Jesus my life would be lost
Without You, I'll never know what it cost
To see You, lay Your life down for me
From my past now I'm free

Tell me where would I be without You?
Tell me where would I be without You?
Wouldn't be here today without You
Wouldn't be here today without You

I can take a plane high up in the sky
And fly for a million miles
