Lately I've been goin' through some things  
That's really got me down  
I need someone, somebody to help me  
Come and turn my life around.

I can't explain it, I can't obtain it  
Jesus, Your love is so, it's so amazing  
It get's me high, up to the sky  
And when I think about Your goodness  
It makes me wanna stomp

Makes me clap my hands  
Makes me wanna dance and stomp  
My brother can't you see  
I've got the victory, stomp, stomp

Oh, oh, oh, oh, stomp on the enemy  
'Cause I've got the victory  
Stomp on the enemy  
'Cause I've got the victory, stomp

Stomp makes me clap my hand  
Makes me wanna dance and stomp  
My brother can't you see  
I've got the victory, stomp

G.P., are you with me?  
Oh yeah, we having church  
We ain't going nowhere

I promise the stomp  
The whole stomp  
Nothing but the stomp
