

Kiros "Speak Softly"

Breathe slowly, speak softly
Just hold my hand
Just hold my hand
We are just two dreamers
You understand
You understand

Do you know who you are?
Do you know who you are?

I wanna be where you are
(Take me away with you)
I wanna be where you are
(I know what I'm falling into)
If nothing else, this one thing is ours
I wanna be where you are

Inside of this nightmare
Love can fight through
We can fight through
Inspired, On fire
We'll find the truth
We'll find the truth

Do you know where you are?
Do you know where you are?

I wanna be where you are
(Take me away with you)
I wanna be where you are
(I know what I'm falling into)
If nothing else, this one thing is ours
I wanna be where you are

When all that you know is being alone
These moments are..

Everything I've waited for
I can't imagine asking more
This is the way we sing it
Wide awake and falling

This is what it's like to be
Lost inside of hopes and dreams
This is the way we sing it
Wide away and falling

I wanna be where you are
(Take me away with you)
I wanna be where you are
(I know what I'm falling into)
If nothing else, this one thing is ours
I wanna be where you are

When all that you know is being alone
These moments are gold
