I know I've got a secret,
And I know it's hard to keep it in,
This detonator's in my core, (ooh).

If I can bring myself to breathe,
Exhale my heart onto my sleeve,
The repercussions will restore, (ooh),
Hope to all the hopeless who want more!

We are we are unshaken,
We are we're wide awake and,
Living for something worth dying for.
We are we're never breaking,
We thrive on what's at stake when,
Living for a love we can't ignore.

I see the writing on the wall,
I hear the echoes of this call,
Inviting us to find our way, (ooh).
Thin lines part triumph and regret,
Am I the voice or what's unsaid,
What is the part that's mine to play? (ooh),
I don't want to throw this chance away!

We are we are unshaken,
We are we're wide awake and,
Living for something worth dying for.
We are we're never breaking,
We thrive on what's at stake when,
Living for a love we can't ignore.

Ooh Yeah!

I know I've got a secret,
And I know it's hard to keep it in,
This detonator's in my core.

We are we are unshaken,
We are we're wide awake and,
Living for something worth dying for.
We are we are not breaking,

We thrive on what's at stake when,
Living for a love we can't ignore.

We are we are unshaken,
We are we're wide awake and,
Living for something worth dying for.
We are we are not breaking,
We thrive on what's at stake when,
Living for a love we can't ignore, ooh!
