Let me sleep
For when I sleep
I dream that you are here
You're mine
And all my fears are left behind
I float on air
The nightingale sings gentle lullabys
So let me close my eyes

And sleep
Per chance to dream
So I can see the face I long to touch
To kiss
But only dreams can bring me this
So let the moon
Shine softly on the boy I long to see
And maybe when he dreams
He'll dream of me

I'll hide beneath the clouds
And whisper to the evening stars
They tell me love is just a dream away
Dream away (echo 3x)
I'll dream away

So let the moon
Shine softly on the boy I long to see
And maybe when he dreams
He'll dream of me

Oooohhh
Dream of me
