Let me sleep
for when I sleep I dream that you are here
you're mine
and all my fears are left behind

I float on air
the nightingale sings gentle lullabies
so let me close my eyes

And sleep, the chance to dream
so I can see the face I long to touch
to kiss
But only dreams can bring me this

So let the moon shine
softly on the boy I long to see
And maybe when he dreams
he'll dream of me

I'll Hide beneath the clouds
And whisper to the evening stars
they tell me love is just a dream away
dream away

A dream away

So let the moon shine
softly on the boy I long to see
and maybe when he dreams
he'll dream of me

ooh ooh ooh oh

Dream of me
