Give me one reason to stay here - and I'll turn right
back around

Give me one reason to stay here - and I'll turn right
back around

Said I don't want leave you lonely
You got to make me change my mind

Baby I got your number and I know that you got mine
But you know that I called you, I called too many times
You can call me baby, you can call me anytime
But you got to call me

Give me one reason to stay here - and I'll turn right
back around

Give me one reason to stay here - and I'll turn right
back around

Said I don't want leave you lonely
You got to make me change my mind

I don't want no one to squeeze me - they might take
away my life

I don't want no one to squeeze me - they might take
away my life

I just want someone to hold me and rock me through
the night

This youthful heart can love you yes and give you what
you need

I said this youthful heart can love you and give you
what you need

But I'm too old to go chasing you around
Wasting my precious energy

Give me one reason to stay here - and I'll turn right
back around

Give me one reason to stay here - and I'll turn right
back around

Said, I don't want leave you lonely
You got to make me change my mind

Baby just give me one reason - Give me just one
reason why

Baby just give me one reason - Give me just one
reason why I should stay
Said I told you that I loved you
And there ain't no more to say
