Some will play a game with love
steal your heart away
some will say those words
you want to hear
but if you look closer
is it really what it seems?
I can give you everything you need

I'll be sincere for you
whatever's gonna happen now
sincere for you, I will
always here for you
whatever you decide right now
sincere for you, I will

I'll be sincere for you
whatever's gonna happen now
sincere for you, I will
always here for you
whatever you decide right now
sincere for you, I will

I'm not the one to fill your head
with false security
I'm the one with nothing left to lose
don't be taken in by
what you think is honesty
just realize what I can offer you

I'll be sincere for you
whatever's gonna happen now
sincere for you, I will
always here for you
whatever you decide right now
sincere for you, I will
