As long as you hold me I'll get by.  
as long as you need me I will try not to die.  
I dont want the shame. I dont want the blame.  
I dont want to cry anymore.

If only they'd tell me tell me why.  
If I could believe them and their lies.  
But I dont want the blame. I don't want their pain.  
I wont play their games. Anymore.

I always looked at  
the last page of the book. How will it end?  
The suspense robs me  
of lovers and friends.

I don't want the shame.  
I don't want the blame.  
I don't want the pain anymore.
