He's my boyfriend but he treats me so mean and so
cruel
He's always fighting the kids in my class after school
Mama told my papa I can't see him no more
They won't let us talk on the phone
So now I spend all of my time in my room
And I drink my tequila alone

I'm just a lonely alcoholic teenager in love
I'm just a lonely alcoholic teenager in love

It's a secret and they'd kill me if they ever knew
So I keep it in a spot that's well hidden from view
My boyfriend isn't bothered when he shouts at my pa
And everything comes back to me
And he's always drinking and I'm stuck here thinking
That this isn't how it should be

I'm just a lonely alcoholic teenager in love
I'm just a lonely alcoholic teenager in love

No-one around me seems to realise
That it's mean to keep us apart
I don't even like the taste of the stuff
But it's eating away at my heart

I'm just a lonely alcoholic teenager in love
I'm just a lonely alcoholic teenager in love
I'm just a lonely alcoholic teenager in love
I'm just a lonely alcoholic teenager in love
