La da da da da da da da La da da da da da La da da da da da da da La da da da da da I was on my own Walking 'round the places that I used to know Sitting in the park That I knew one time On a windy autumn day. La da da da da da da da La da da da da da La da da da da da da da La da da da da da For awhile the sun it shone Came the clouds and the sun is gone For awhile the sun it shone Came the clouds and the sun is gone

Came the clouds and the sun is gone

I was on my own
Walking 'round the places that I used to know
Sitting in the park
That I knew one time
On a windy autumn day.
La da da da da da da
La da da da da da
La da da da da da
La da da da da da
For awhile the sun it shone
Came the clouds and the sun is gone
For awhile the sun it shone
Came the clouds and the sun is gone
