Verse 1

You Said Nothin Is Impossible

I Prayed That You'd Come Back One Day

Your Words Became My Religion And

It Hurts Me To See That We're Not Gettin Anywhere

I Said That I Will Wait Forever

Some Day Our Love Will Find A Way

I Cried Tears Of Desperation

And It Hurts Me To See That We're Not Gettin Anywhere

Chorus

I Wanna Be In Love With You

Rap: I Feel The Same For You

I-I-I Feel The Same

Do You Feel The Same Too?

I Wanna Be In Love With You

Rap: I Will Be There For You

I-I-I Will Be There

Do You Feel The Same?

Verse 2

Time Goes

By And Still Wonder

How I

Keep Longing For Your Arms

I Feel

That We Should Be Together And

It Hurts Me To See That We're Not Getting Anywhere

Don't You Know?

Repeat Chorus

As Far As My Feet Will Take Me

Across The Seven Seas, Upon The Highest Mountains

No Matter Where You Are, I Will Be There For You

Things Will Change For Good-Once And For All

Cos I Do Feel The Same For You Like You Feel For Me
Baby

Come And Rescue Me

I Took A Long Walk Down The Road Of Emptiness

Now It's Time Your Love Serious

Repeat Chorus
