Words by Kisha

Every time I look at you
I've got a feeling deep and true
I can't stand it any longer
I wonder if you feel the same
In my dreams I call your name
This feeling in my heart is getting stronger
How can I get close to you?
It's hard for me to find a clue
I long for you 'cause you are my desire
I wanna make a dream come true
This dream about me and you
How can I ever light your fire?

Chorus:

Why? Why I'm too shy
To tell you that I like you?
Tell me, Tell me
Why? Why I'm too shy
To tell you that I like you?
I've got to make you look at me
I've got to make you talk to me
I've got to make you understand

I've got to make you hold my hand
I've got to make you catch my smile
Talk to you for a little while
I've got to take your heart away
I wish I found a way

Chorus (2x)

Tell me why, tell me why
Tell me why I am too shy
Why I am too shy
To say I like you?
Tell me why, tell me why
Tell me why I am too shy
Why I am too shy
To say I do?
Tell me why, tell me why
Tell me why I am too shy

Chorus

I've got to make you catch my smile
Talk to you for a little while

I've got to take your heart away
I wish I found a way
Chorus
Tell me, tell me
Why?
