- Paul Stanley, Vini Poncia

I've been up and down, I've been all around
I was mystified, almost terrified
But late at night I still hear you call my name

I've been on my own, I've been all alone
I was hypnotized, I felt paralyzed
But late at night I still want you just the same

I've been a gambler, but I'm nobody's fool
And I sure know something, sure know something
You showed me things they never taught me in school
And I sure know something, sure know something
No one can make me feel the way that you do
And I sure know something, aha

I was seventeen, you were just a dream
I was mesmerized, I felt scared inside
You broke my heart and I still can feel the pain

I've been counted out, I've had fear and doubt
I've been starry eyed, never satisfied
'Cause late at night I still need you just the same
Just the same

I've been a gambler, but I'm nobody's fool
And I sure know something, sure know something
You showed me things they never taught me in school
And I sure know something, sure know something
No one can make me feel the way that you do
And I sure know something, aha

I've been counted out, I've had fear and doubt
I've been starry eyed, never satisfied
'Cause late at night I still need you just the same
Just the same, yeah

I've been a gambler, but I'm nobody's fool
And I sure know something, sure know something
You showed me things they never taught me in school

And I sure know something, sure know something
No one can make me feel the way that you do
And I sure know something, sure know something
No one can tell me till I hear it from you
And I sure know something, sure know something
