Yeah, yeah

Woo

I was just another child growin' wild in the city

Just gettin' by on a dream

I was thinkin' life was gonna be so pretty

It was clearly mean, yeah

I hit the road having no expectations

Just leavin' where I'd been

I didn't care about no fame or the money

Show me a place to play and I'm gonna go

'Cause it's ALL FOR THE LOVE OF ROCK AND ROLL

Hear my music in the air and I'm losin' control

I don't care what you heard, I don't care what you're told

'Cause it's ALL FOR THE LOVE OF ROCK AND ROLL

I hitched a ride on a trip going nowhere

Got fifty bucks and a bite

Ain't a lot a dough, but when you know the feeling well  
it feels alright, alright

When you finish with the band and some honey grabs  
your hand, yeah

You get to thinkin' you might

That's when you notice there's a ring on her finger

That's when she tells you that she's single tonight

Well it's all for the love of rock and roll

Hear my music in the air and I'm losing control

I don't care what you heard, I don't care what you're told

'Cause it's ALL FOR THE LOVE OF ROCK AND ROLL

I've got it made when I hit the stage a quarter to nine,  
yeah

Watch 'em dancin' in the haze and the band's really  
pumpin'

Feel the rush and that's all it's about

I'm in for life and there's no gettin' out of the way

Yeah  
All I want  
All I need

Yeah, 'cause it's ALL FOR THE LOVE OF ROCK AND ROLL  
Hear my music in the air and I'm losing control  
I don't care what you heard, I don't care what you're  
told  
'Cause it's ALL FOR THE LOVE OF ROCK AND ROLL  
All for my love of rock and roll, woo-
